

About the City of Young Harris

The City of Young Harris, provides municipal services for residents and businesses of Young Harris, as well as others in the valley . City Hall provides for government offices, including the Young Harris legislative body, and provides public records, government services, and information about Young Harris services.

History

Young Harris was originally named "McTyeire", after Bishop Holland McTyeire. It was later renamed to honor Judge Young Harris, the benefactor of McTyeire Institute (which was also renamed to Young Harris College).

Our Community:

Known as the Enchanted Valley, Young Harris is home to Young Harris College, Brasstown Valley Resort, Crane Creek Vineyards, and many other businesses and amenities.
